On May 16, 2006 we have sent to USPTO the documentation referring the International Application PCT/BG03/00045 as an US National phase entry:

- Transmittal letter to the United States Designated/Elected Office- Form PTO1390;
- Declaration- Form PTO/SB/01;
- Declaration -Additional Inventor- Form PTO/SB/02A;
- Application Data Sheet;
- Check in the amount of \$150 to cover the basic national fee.
- Copy of the International application as published by WIPO.

Using the web site of USPTO /Patent Application Information Retrieval/ we have been informed that the above PCT Application was accorded US Patent Application No 10/580,010 and that it was published on May 17,2007, Publication No 20070107282 A1; Status: Application Undergoing Preexam Processing.

This the whole information we have referring the above application. Please be informed that we are strongly interested in receiving a patent in USA and you are kindly asked to inform us on the next steps with the patenting procedure and on the fees due to be paid.

Please be as well informed that the Correspondence Address has been changed as follows:
